COURSE ANNOUCEMENT

Washington State University Extension

2021 WSU Live Fire Instructor Course Open Enrollment
4 Hours

This course provides an in-depth knowledge of NFPA 1403 principles and the Fire Training Academy's (FTA) Live Fire Policy. Students will gain a comprehensive knowledge of the FTA's procedures for conducting safe live fire training. Upon successful completion of this course, students will be able to define the guidelines for conducting live-fire events at the FTA and describe the NFPA 1403 requirements that affect live fire training while identifying any legal requirements associated.

PREREQUISITES: Current FTA Contracted Instructor or Current Co-Op Instructors for Live Fire Training

CLASS DATES & TESTING: AVAILABLE VIA WASHINGTON STATE UNIVERSITY (WSU) ONLINE EXTENSION COURSE

COST: $84.00 per student

Notes for Students: -   This course should be viewed using a Chrome browser. Any other browsers such as Safari or Firefox may cause glitches within the course.
                        -   Each section contains a text reading and an attached PowerPoint. Make sure to review all of the materials within each section.
                        -   **You must pass each "self-check" quiz within each section with a 100% in order to proceed to the next section.**
                        -   **You must pass the final exam portion with an 80% or higher. You will have TWO attempts to do so. After that, you will have to re-register for the course and take it again.**
                        -   Once registered the student will have 7 days to complete the course. The course can be started and stopped as many times as you want within those 7 days. Please use Google Chrome for best results.
                        -   Once you have successfully completed the course a certificate will be processed and mailed to the address you submitted during registration within 60 days. The certificate is valid immediately upon completion and valid for 2 years.
